Virginia Workforce Comprehensive & Satellite Centers: Statewide Listing

Virginia Workforce Comprehensive Center

- A full service physical site that provides core/self-service job search assistance (including access to computers, telephones, fax and copy machines, resume and cover letter development, and employment-related workshops) to all job seekers, and intensive/individualized services (including job search, placement assistance, assessments, career counseling, training and career education services) to those who are eligible. Center also provides access to other partner program services as required by federal legislation.

Virginia Workforce Satellite Site (Center)

- Site generally provides only core/self-service job search assistance, referrals and other services designed to meet special needs in the locality.
